On Friday, November 27, 2020, God called ROBERT (BOB) DAVIS home to be with Him and His angels after a lengthy illness.

“ As I began to turn in this evening, I decided to read today's newspaper and I got the biggest shock to see one of my first and favorite Supervisors Mr. Bob Davis had passed away. I truly enjoyed working under his direction and tutelage because he was so knowledgeable and he always wanted the best for each and every one of his employees. I am so very grateful that my career path landed me under one of the nicest persons you could ever know. My deepest condolences and prayers are with his family and all who knew and loved him. I pray for God's strength and peace over the family and i am so grateful for the life and legacy of Mr. Robert (Bob) Davis. May God rest his soul.

“ It saddened me to hear about the passing of Robert (Bob) Davis. He was a soft spoken, kind guy that I had a lot of informative conversations with at Social Security. When I first entered into supervision and had to make some tough decisions Bob always gave me some very good advice on how I should handle things. He knew a lot about many different things in life and i enjoyed talking to him and with him. Although I haven't seen Bob since he retired from SSA I will never forget him. My thoughts and prayers go out to the family of Robert J. Davis and may the memories of your love one always be with you and comfort you. Michael Angelo Mann
