“ *My condolences to the Melissa and Derrick's families. I can only imagine the pain in your hearts right now and I will pray for your continued strength. Its been many years but I remember how excited everyone was when Chevy was born and now we are celebrating her life. A life that touched so many and brought joy to so many. She will always be your blessing, even as she is in heaven.*

Again I'm sorry for your loss.

“Chevy and I worked together and built a beautiful friendship based on support and hyping each other up to get through the day. My condolences for her family/closest loved ones as she was one of the sweetest souls I’ve ever had the privilege to get to know. Rest in peace, beautiful.
