“ Today was when we realized that Jacobi was someone we've seen in passing through daycare. Our family sends the most heartfelt prayers to the Jacobi's Mother and Sister, the family of Jacobi, the staff at My Village Day Care Center, and the scholars of the center who all are affected by this loss. May you all constantly be reminded of the joy and laughter Jacobi was able to share as the days become more.

I'm a total stranger but I have had nieces and nephews attend Moravia Park. No words can compensate for the loss you and your family will deal with for the rest of your lives, but understand the entire city/region is here with you. Leon Henry
