“ Miss Van was my favorite teacher in high school and an amazing friend to me. I graduated from Laurel Senior HS in 1974 and eventually went on to earn a PhD in biology. One of my granddaughters is currently in HS theater so a recent performance by her stirred my memories of Miss Van. Thanks for being there for me when I needed someone, Miss Van. I'm sure you're kicking up your heels in heaven...

“ One of my favorite memories with Jeanne was going to the giant Christmas tree in Laurel. We laid on the ground under the lit Tree in amazement of its beauty!!!

“ Many of us have one of those teachers - someone who ignites a passion in you, gives you opportunity, and becomes a friend. Jean (or as many knew her - Miss Van) was one of mine. She gave me the chance to pour myself into theater tech. She took me under her wing. She introduced me to talented people who showed me the ins and outs of running lights, sound, and a stage.

I owe her such a great deal for steering me towards the areas of theater I truly love. And she even encouraged me to get involved in the early days of Laurel Cable Access - which certainly put me on the path of my life-long career in tv post-production. I am truly grateful to have had her as one of my teachers.

She will be missed.

I forgot to include one of my fondest memories-in my Senior Year, she gave me a laminated Hall Pass. It was like having a Get Out Jail Free card. :-)

“ *It was impossible to come into Jean's presence without smiling whether you'd seen her five minutes or five years ago. She had a way of making everything important and making you feel special. Thank you for being a part of my life. I will remember you.*

“ *Miss Van was such an inspiration to her students. I loved her
classes, her style, her energy and her direction. She did not put
limits on her students. She gave her students the confidence to
believe in themselves.*

“ Over 40 years ago, at Laurel Senior High, Miss Van was a light for the students. Her support, understanding, and unbridled joy, carried everyone who had the privilege to know,her.

Anyone who reads this, who knew her then, will understand this, "It's time that we write YOUR hall pass, Miss Van."

Blessings to your family and friends. You were, and will always be, loved.
