“ Linda was such a caring and kind gentle lady. She leaves a legacy of love and friendship and I will forever remember spending hours talking with her. I also enjoyed taking trips with her (eating, shopping & bus tours) and talking about our families who she truly loved. She always asked about my Mom, kids & grands. Meeting Linda was one of the best connections since working at SSA. Love, peace, blessings and healings to all mourning a wonderful person. Rest In Heaven. Love your friend, KB & family

“ I am deeply saddened by the loss of my dear friend Linda. For many years we worked together and shared thoughtful conversations about family especially her sons who she cherished. I will always remember her strong motivation to accomplish whatever she set her mind to do. I will miss her unforgettable smile and friendship. My prayers are with her family and loved ones.

“ We are sorry to learn of the passing of Joyce. Joyce and I have been friends since the 70's. My husband and I have the honor of being her son, Jason, godparents. Although we did not communicate as often as we did in the early years, when we did communicate, it felt like we never missed a day. Joyce had such a sweet and kind spirit. She touched so many people with her faith and kindness. Linda (Joyce ) beautiful spirit will live on. ❤️
