“ Cheryl and Nicky, your Mom will always have and special place in my heart. I'm grateful for the special times that she shared with my Aunt (Binky) and my Mom (Joyce) throughout their childhood years and into their adult lives. And then Ms. Pearlina extended her love to my sister and I, as she gave encouragement and offered her medical knowledge to us through the the many challenges that my Mom went through during her illness. I will especially remember her because of her love for Jesus Christ and her courageous way of Living. I pray for you and your family, God's peace and strength. MUCHOLV Gia

From the first time I met Pearlina Dean I was received as family. She was a great person, who also happened to be my sons grandmother. I am saddened by her loss, but I will always remember her loving kindness. To the Dean family and those who are connected I send much love.
